LIFE CHIROPRACTIC COLLEGE WEST

VerVita®

FOOT LEVELERS

Dr. Dick Versendaal, DC, DCRC, DACBN will teach a basic, yet thorough sequence of subtle CRA-VSC testing. Return to your practice and begin CRA® techniques already on Monday morning. Uncover the root cause of your patient's health issues: traumas, auto-suggestion/emotional, nutritional and/or structural (VSC). A large nutritional inventory is not necessary as you will learn how to bring the body back into balance using 10 nutritional products and 6 essential oils. This is cost effective for the health practitioner and the patients.
See www.VerVitaProducts.com for CRA-VCS product information.
