October 3-5, 2008

Presented by Dr. Robert J. Marshall and Colleagues

We invite you to join us for an eye-opening seminar that can mean a quantum shift in your practice's effectiveness and income. Experience QRA™ for yourself to evaluate the phenomenal effectiveness of these techniques.

Bring us your toughest problems.

Attendees at a recent QRA™ Seminar

"Best course about nutrition and alternative medicine I have ever taken."
– Emilia Ripoll, MD, LAc

"The complete 'tool set' for surviving and thriving in the new millenium. Expect to get excited about practicing again!"
— Greg Barsten, DC, CCN

Learn QRA™: The breakthrough healing system for rapid analysis of true root causes of chronic health concerns using the latest discoveries in quantum physics to permanently restore quantum biofield energetics
– unlike any method yet discovered.

- In just one weekend seminar, you will be ready to apply these breakthrough QRA™ techniques in your practice on Monday morning - *even with your toughest cases!* No machines or computer programs. Just bring yourself and your curiosity: this method can be easily learned in one weekend.
- Learn how to rapidly get to the "core" of the true causative factors in complex patients and gain new clinical insights into the difficult cases that have failed to respond to your best efforts.
- Discover how to rapidly induce "**the quantum nutrient effect**" in your patients for optimal healing -- even in badly nutritional depleted patients. Learn how to boost nutritional response and transport with up to 1,000% greater effectiveness -- *on purpose, not by chance.*
- Learn the "**one-second test**" to identify toxic nutrients, foods or supplements (*which may surprise you!*)- and exactly which ones to avoid and which to specifically use for each patient to induce quantum cellular resonanace in specific glands and organs. This goes far, far beyond typical nutrient lab testing - which is incapable of identifying imbalances at the quantum level.
- Learn the secret of the ancients: how to precisely identify and detoxify (release) the body's inherent, powerful quantum energy circulation complex to induce "**quantum cellular resonance**" to achieve a new, rejuvenated bio-energy pattern.
